Card terms and responsibilities

As a University cardholder, I understand that:
• A card is the property of the University of Illinois, and I must return it to a Campus ID Center upon leaving the University or upon request.
• Card data, including but not limited to the UIN, card number, and photo, may be used for University purposes.
• A card is issued to assist in the identification of the valid cardholder and is to be presented upon request for securing privileges and services.
• A card is valid only while I am a registered student, active University employee, or University retiree, or until the card expires or is revoked.
• A card is non-transferable and does not authorize me to obligate the University of Illinois in any way.
• Altering or intentionally damaging an ID card, using another person's ID card, or allowing my card to be used by another person may result in disciplinary action and confiscation of the card.
• I am responsible for paying any replacement fee when an ID card is lost, stolen, confiscated, or intentionally damaged, or when any information is changed at my request.
• I should notify a Campus ID Center immediately if a card is lost or stolen. If a confiscated, surrendered, lost, stolen, or otherwise damaged card has a balance on the value stripe (Chicago and/or Urbana), there is no guaranteed refund on the unused balance on the card.
• I am responsible for notifying a Campus ID Center to deactivate the online functionality of an ID card (Meal Plans, Dragon Dollar$, or Campus Cash) should the card be lost or stolen.
• CHICAGO and URBANA only: I understand and agree that if I link an i-card to a TCF Bank account I am releasing my UIN (as part of the card number) to TCF Bank. Also, I am responsible for notifying TCF Bank if the linked card is lost or stolen.
